

Educational Offerings for the Summer and Fall of 2006

Basic Education & Intermediate Educational Programs for 2006 **Co-sponsored by the New Jersey State Cancer Registry and** **Oncology Registrars Association of New Jersey**

The Intermediate Education Program is a sequel to the Basic Education Program, which was held this past April. This session will have a maximum enrollment of 15 students and a minimum enrollment of 10 students. Prerequisites: 1 year working in Cancer Registry and/or attendance at April 2006 Basic Educational Program.

When: September 11-15, 2006
Where: New Jersey Department of Health and Senior Services
3635 Quakerbridge Rd., Mercerville, NJ

Pre-Certification Workshops for 2006 **Co-sponsored by the New Jersey State Cancer Registry and** **Oncology Registrars Association of New Jersey**

The Pre-Certification program is a 3-day intensive review workshop specifically aimed at the Cancer Registrars preparing to take the certification exam in 2006. The maximum enrollment for this workshop is 15 students and a minimum enrollment of 10 students.

For individuals planning to take the **September 2006** Certification Exam the workshop will be held:

When: July 19-21, 2006
Where: 3635 Quakerbridge Rd., Mercerville, NJ

If you are interested in learning more about these programs, please contact Marilyn Hansen at the New Jersey State Cancer Registry, 609-588-3500.

Oncology Registrars Association of New Jersey (ORANJ) Educational Programs:

When: October 12-13, 2006
Where: Bally's Park Place Atlantic City, NJ

If you are interested in learning more about these programs, please contact Donna McNally, President of ORANJ (973) 429-6044
